**ORDER TERMINATING MOTION TO  
COMPEL AND REFERRING ALL  
DISCOVERY MATTERS TO A  
RANDOMLY ASSIGNED  
MAGISTRATE JUDGE**

12 Plaintiff Grobler moves to compel “core discovery.” ECF No. 86. The motion is  
13 TERMINATED, as it fails to comply with this Court’s civil standing order.

14 Judge Grewal can no longer preside over discovery in this action because the case is no  
15 longer assigned to a district judge in San Jose. Accordingly, the Court refers all discovery matters  
16 in this action to a randomly assigned magistrate judge. The parties shall consult the standing  
17 orders of the assigned magistrate judge before filing any discovery-related requests.
